Dear Parents/Carers

We wanted to let you know that from w/c 11th November we will be publishing the menu for special diets alongside the regular one. This is so that parents of children with special dietary requirements can view and place orders via ParentMail.

Any option that is titled "Special Diet" relates to a special dietary requirement choice and is only available to those specific students. We kindly ask that you only select these options if your child has a medical need and that you have made the school aware. Parents can also continue to contact the school office in the meantime for the special diet menu.

We would also like to confirm that all meals are served each day with salad and bread.

If you have any queries regarding this please contact the school office.

Kind Regards

The Admin Team
